USA manufacturer made with value in mind.**

All Elite Spas are feature packed ensuring you have the best possible spa at an unbeatable price.

The Elite Sanctuary is a fantastic six-seater family spa featuring his and her lounges, four upright seats, a roomy 2.3 meter design. You will also enjoy real Hydrotherapy in this compact spa with 59 hydro jets to soothe every part of your body.

Hydrotherapy is a fantastic way to relax and unwind from the daily stresses that today's busy lifestyle brings. For many years it has been widely recognised as a pleasant way to improve your lifestyle. At very little investment it allows you to bring a little of the resort lifestyle to the privacy and convenience of your own home.

The Elite Sanctuary is built using only the best components available and is not only a beautiful looking spa that is built to perform and last, but also one designed for easy maintenance. Water management in the Solace is fully automated and includes Ozone to give you safe, crystal clear water with a minimum of effort.

From the ground up Elite Spas are designed to enhance your lifestyle. Why not add the luxury of your own personal relaxation centre to your backyard today... with the Elite Sanctuary you will even have enough left over to celebrate with a cold bubbly!
