**Exclusive quality style and features by a leading  
USA manufacturer made with value in mind.**

All Elite Spas are feature packed ensuring you have the best possible spa at an unbeatable price.

The Elite Tahiti Pro is a great six-seater family spa featuring lounge and five upright seats, and a compact two meter design. You will also enjoy real family fun in this compact spa with up to 40 jets to soothe every part of your body.

Hydrotherapy is a fantastic way to relax and unwind from the daily stresses that today's busy lifestyle brings. For many years it has been widely recognised as a pleasant way to improve your lifestyle. At very little investment it allows you to bring a little of the resort lifestyle to the privacy and convenience of your own home.

The Elite Tahiti Pro is built using only the best components available and is not only a beautiful looking spa that is built to perform and last, but also one designed for easy maintenance. Water management in the Tahiti is fully automated to give you safe, crystal clear water with a minimum of effort.

From the ground up Elite Spas are designed to enhance your lifestyle. Why not add the luxury of your own personal relaxation centre to your backyard today... with the Elite Tahiti Pro you will even have enough left over to celebrate with a cold bubbly!
